

NOTICE to 41st batch

This is to inform you that the histology spot examination will be held on 07th December 2020 as scheduled. Please be present at the Department of Anatomy by 8.00 a.m.

It will be conducted in the same manner you had for the continuous assessment of histology using microscopes.

- Wash your hands thoroughly with soap before entering to the premises
- Your temperature will be checked at the entrance to the department
- Sanitizer will be provided to clean your hands on entering the exam hall
- Wear your face mask properly
- Bring only the student identity card and a pen, and if you need a bottle of water
- Wash your hands thoroughly with soap after leaving the examination hall

Other specific instructions on how to do the spot test remains the same.

Dr. E. I. Waidyarathne

Head/ Anatomy
