

and the requirement in health care.

The Pre-Intern Training was initially stared in2016 under the Accident & Emergency care Project. Since then, a large number of Pre-Interns were trained in six major specialties such as Medicine. Surgery, Paediatrics, Obstetrics & Gynecology, Psychiatry, Anesthesiology collaboration with the relevant professional colleges.

We have planned to conduct a series of online training programmes along with the soft skill training sessions. Therefore, we would much appreciate that if you could make awareness among the Pre-Interns in your University and request them to register through the below mentioned link;

https://forms.gle/ngTh7RKCFX8cX4Kc9

Your cooperation in this regard is highly appreciated.
