

## 40<sup>th</sup> Batch

# Submission of Research Reports

- Please submit an anonymized copy of the Final Research Report for the purpose of assessment by the examiners.
- All the identifiable personal information of the investigators and the supervisor/s should be kept blank or obscured.
- Title page should contain the title of the study and the group number, word count of the abstract and word count of the report excluding front matter, references and annexures.
- An author declaration form and supervisor's declaration should be submitted as separate documents according to the format given.
- A soft copy of the anonymized research report should be emailed to the departmental email address ([commedruhuna@gmail.com](mailto:commedruhuna@gmail.com)) as a PDF file.
- Please ensure that the report is prepared according to the guidelines and formatting should be done according to the instructions given in guidelines.
- The corrected research report with the names of the investigators and the supervisor/s should be submitted after the examination, after attending to the corrections suggested by the examiners.
