19<sup>th</sup> April 2022,

The Vice Chancellor,  
University of Ruhuna,  
A2, Matara.

Dear Sir,

## Calling for Proposals on "Economic Resurgence"

The Organization of Professional Associations of Sri Lanka (OPA) is the Apex Body of 52 Member Associations representing 32 Professions, established in 1975 under the aegis of the Commonwealth Foundation.

We forwarded 17 proposals to "Resurge the Economy" to the Government on 6<sup>th</sup> October 2021, duly handed over to the Governor of Central Bank of Sri Lanka. It is our considered opinion that some of the proposals have been implemented later than expected, and a majority not implemented to date.

The National Universities are the apex academic institutions of Sri Lanka with the cream of young Sri Lankans who are undergraduates expected to lead Mother Lanka towards calmer waters.

We look forward to receiving proposals from the academic staff members, non-academic staff members and under graduates of your esteemed institutions under the theme "Resurgence of Sri Lanka Economy".

Copies of paper advertisements calling for proposals are attached herewith for your perusal and necessary action.

Your early response in this regard will be very much appreciated.

Thank you.

Yours faithfully,

Eng. Upali Jayawardena  
General Secretary
