July 26, 2022

Dear Sir / Madam,

Annual Award for the Most Outstanding Undergraduate Energy Research 2022 - Sri Lanka Energy Managers Association (SLEMA)

We are delighted to announce that the Annual Awards for the Most Outstanding Undergraduate Energy Research 2022 organized by the SLEMA is scheduled to take place on July 29, 2022 in the online mode, during the Annual Sessions of SLEMA. The top winners shall receive certificates of recognition and cash prizes of LKR 25,000, 15,000 and 10,000 and 12 others shall receive merit certificates.

We appreciate your pro-active measures in encouraging your recent undergraduates to submit their final year research abstracts for this prestigious award. Please encourage your next final year batches to participate in a similar event next year.

The assistance given to us by the USAID (from the American people) as the Platinum Sponsor, Vidullanka PLC as the Gold Sponsor, Fair Energy Developers (Pvt) Ltd and Fair Energy Services (Pvt) Ltd as the Silver Sponsor and Forbes Marshall - Sri Lanka and Green Building Council of Sri Lanka as Event Sponsors in materializing the SLEMA's Annual Award for the Most Outstanding Undergraduate Energy Research 2022 is greatly recognized and truly valued.

Looking forward to receiving submissions from your esteemed higher education institute in the next year.

Sincerely,

Prof. Rahula Attalage

Committee Chairperson & Past President
