

## **Dear final year students,**

I am pleased to inform that your final year clinical appointments will re-commence from 13.07.2020. (The time table is attached).

You are allowed to return to hostels from Saturday the 11.07.2020.

Please inform relevant Warden, if you need hostel facilities.

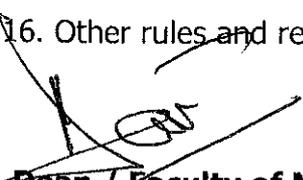

Please request hostel facilities only if it's absolutely needed, as only one student is allowed per room. If you have facilities (home, or boarding house) stay there until the situation return to normally, as it might help one of your friends who genuinely need a room.

---

You are requested to bring all personal sanitary equipment (Eg. Masks/sanitizer).

### **Guidelines to follow during hostel stay:**

1. Students should always wash their hands for at least 20 seconds following correct steps before entering hostels.
2. Only one student will be permitted to stay in one room at all times.
3. Students are encouraged to use common areas of the hostel to a minimum and if used, doors should be kept open and all the students in the area should properly wear masks at all times.
4. Students should always maintain physical distancing.
5. It is encouraged to keep rooms cleaned and the windows and ventilation inlets open as much as possible.
6. Students who have chronic respiratory diseases (Eg. bronchial asthma, COPD) should bring their medication, including inhalers, with them.
7. Meals will be provided to the hostel upon the students' request and are not allowed to be brought from outside.
8. Student gatherings in any form are strictly prohibited (Eg. discussions, teaching etc.)
9. Only a limited number of vehicles are allowed in the hostel parking area, upon request.
10. You are requested to inform the sub-warden of your urgent requirements and any illnesses, which need immediate attention.
11. Students should not utilize any materials belonging to the actual owner of the room (previously allocated students).
12. Students are responsible to protect materials in the particular rooms in which they are staying.
13. Students should not get down visitors or any other colleagues outside their batch.
16. Other rules and regulations of the hostel remain unchanged.

  
**Dean / Faculty of Medicine**
